

THE RAMSDENS

We're The Ramsdens,
husband + wife fine art
wedding photographers
based in the greater
New York area.

We hold a special place in our hearts
for intimate weddings, destination
weddings, and elopements.

As a married couple, we know how
special your day is. Our goal is to
capture that magic. We believe in the
happy coexistence between posed and
candid photography, and live for them
both. We thrive off of positive energy
and always promise to bring our own.

For each couple we work with, we
create a detailed and extensive timeline,
posed list, and photo itinerary to ensure
a smooth, relaxing, organized, and
absolutely magical day.

We've got a case of wanderlust
and adore nature. Let's explore.
