

## ***Will it cost more than doing it myself?***

*As our couples will attest to, not only will we assist you in choosing the perfect destination for you as a couple while saving you time and stress – through our connections we will also make sure you get the best value for your budget!*

*The good news is that for most travel arrangements we do not add additional fees – so it doesn't cost more than muddling through by yourself on the internet trying to determine which reviews to believe or which pictures have been photo-shopped!*

***We look forward to assisting you in creating your first adventure as Husband and Wife.***
