## MEET ASHLEY

Hiring a photographer for your special event shouldn't be difficult. Owner, Ashley Yeaton, runs a one-woman team striving to give you the best experience possible. Her professionalism, immense camera knowledge, and eye for the right shot puts her product above the rest. When you work with Ashley, leave your worries behind and enjoy the moment.

Whether you're a bride-to-be, mother of a senior in high school, or someone trying to create lasting memories of their fur babies, her goal is to capture these moments with candid emotion. Ashley strives to have your moments feel as effortless as possible, all the while providing her full attention to your needs, questions, and concerns.

Please feel free to contact me about any potential sessions, pricing questions, or even just to chat! Can't wait to hear from you.

# The Client Experience

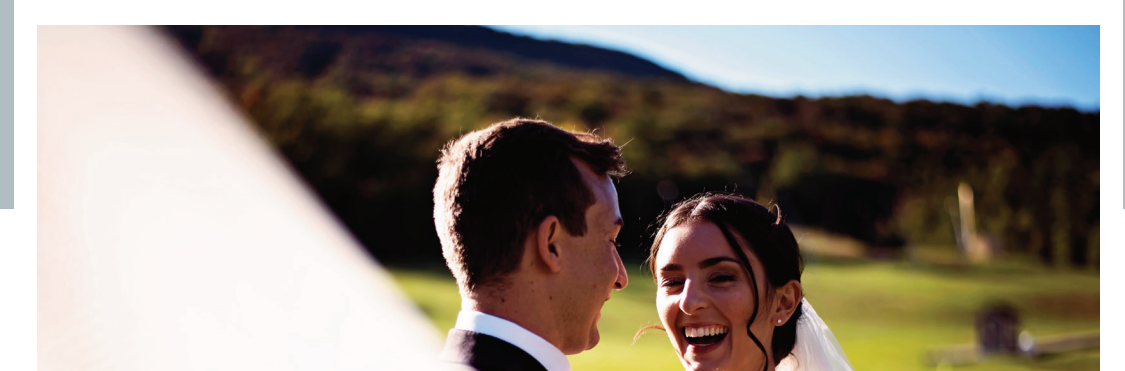

## WHAT TO EXPECT

Planning a wedding isn't easy. Choosing vendors that fit your vision and design is key for your day-of success and overall happiness!

Once you inquire and fill out the questionnaire, our photographer will be in contact with you, paying attention to all of the little details and "must haves" of your day.

Your wedding day should only be about you and your other half, so to ensure the package fits your specific needs, all couples receive a one-hour consultation with your photographer to meet each other and go over your desires, wants, and needs.

I can't wait to see what you have planned!

# Our Process & Steps

## STEP ONE: COFFEE CHAT

After reading through this guide, the next step is to book a consultation with me (over the phone, zoom, or in person) to discuss your needs, connect, and chat about which package is right for you.

## STEP TWO: LETS MAKE THINGS OFFICIAL

If we're a good fit and you'd like to move forward, I'll send you a proposal with a contract and invoice to make our partnership official. Once you submit it, your date is secured on my calendar and you can breathe a sigh of relief knowing you just found your dream wedding photographer!

## STEP THREE: GET PREPPED

Leading up to your wedding, I'll act as a personal guide, offering vendor recommendations, tips, and tricks. If you choose a package with an engagement session, we'll schedule it for a few months before your wedding, and create a detailed shot list for the day of.

## STEP FOUR: ENGAGEMENT SESSION

It's time to capture this special, fleeting season with beautiful photos! Your engagement session is a great opportunity to get comfortable with me and my camera and practice taking pictures together. Plus, you can use the photos for Save the Dates, wedding websites, and more! About a month before your wedding day, I will reach out to touch base and make sure all of our details match.

## STEP FIVE: CUE THE WEDDING BELLS

The big day has finally arrived. It's going to be great! I'll get to your venue early to scout out the layout and lighting. Thanks to all the planning and prep we've done, you can simply relax and enjoy the moment while I do my thing!

## STEP SIX: GALLERY DELIVERY

I'll send you a few sneak peek photos within one to two days of your wedding. Your full gallery will be delivered 4-6 weeks later (unless otherwise stated). You can download and print them yourself, or I can create an heirloom-quality photo album for you. Pro tip: Plan a date night with your new spouse to look through the photos together and relive the joy of that day all over again!
