CARSON LILLARD

- PHOTOGRAPHY -

Carson here.

I am an outdoor-loving, biologist / photographer based in Yosemite National Park. I have loved photography since I was a kid, but I always wanted to share the joy with others. That's why I love wedding & elopement photography so much. Not only do I enjoy it, but I also get to see the happiness it brings to so many couples.

I focus on candid photos to represent your day in an authentic way. I am very laid back, goofy, and easy to work with.

I have a ton of experience in elopements, ranch weddings, intimate weddings, and even Halloween-themed weddings!

*"Working with Carson
was a dream."*

Carson has an amazing eye. She went above and beyond with her time and working with us, not to mention her turnaround time. She had sneak peek photos back to us the day after the wedding and our photos available within a couple of weeks!

A black and white photograph of a couple holding hands and looking at a large rock formation in a valley. The couple is in the foreground, slightly out of focus, with the woman on the left and the man on the right. They are both looking towards the center of the image. The background features a large, prominent rock formation, likely El Capitan, with a valley below it. The sky is bright and clear. The overall mood is romantic and serene.

My approach.

Film-Inspired Vibrant Colorful & Candid

I want my photos to give you the same warm fuzzy feelings of film, but with a modern twist! I also want clarity and vibrant colors in my photos.

I AM ALL ABOUT CANDID PHOTOS, & BEING PRESENT IN THE MOMENT. No worrying about posing or how you look. Just enjoy your day together and take it all in! I am here to capture your real and authentic connection, but if you need a little help I will guide you the whole way! I care about each and every one of my 'clients' and I am so invested in you and I want you to feel comfortable in front of the camera. My style tends to lean more towards colorful, but can be light or moody depending on the setting.

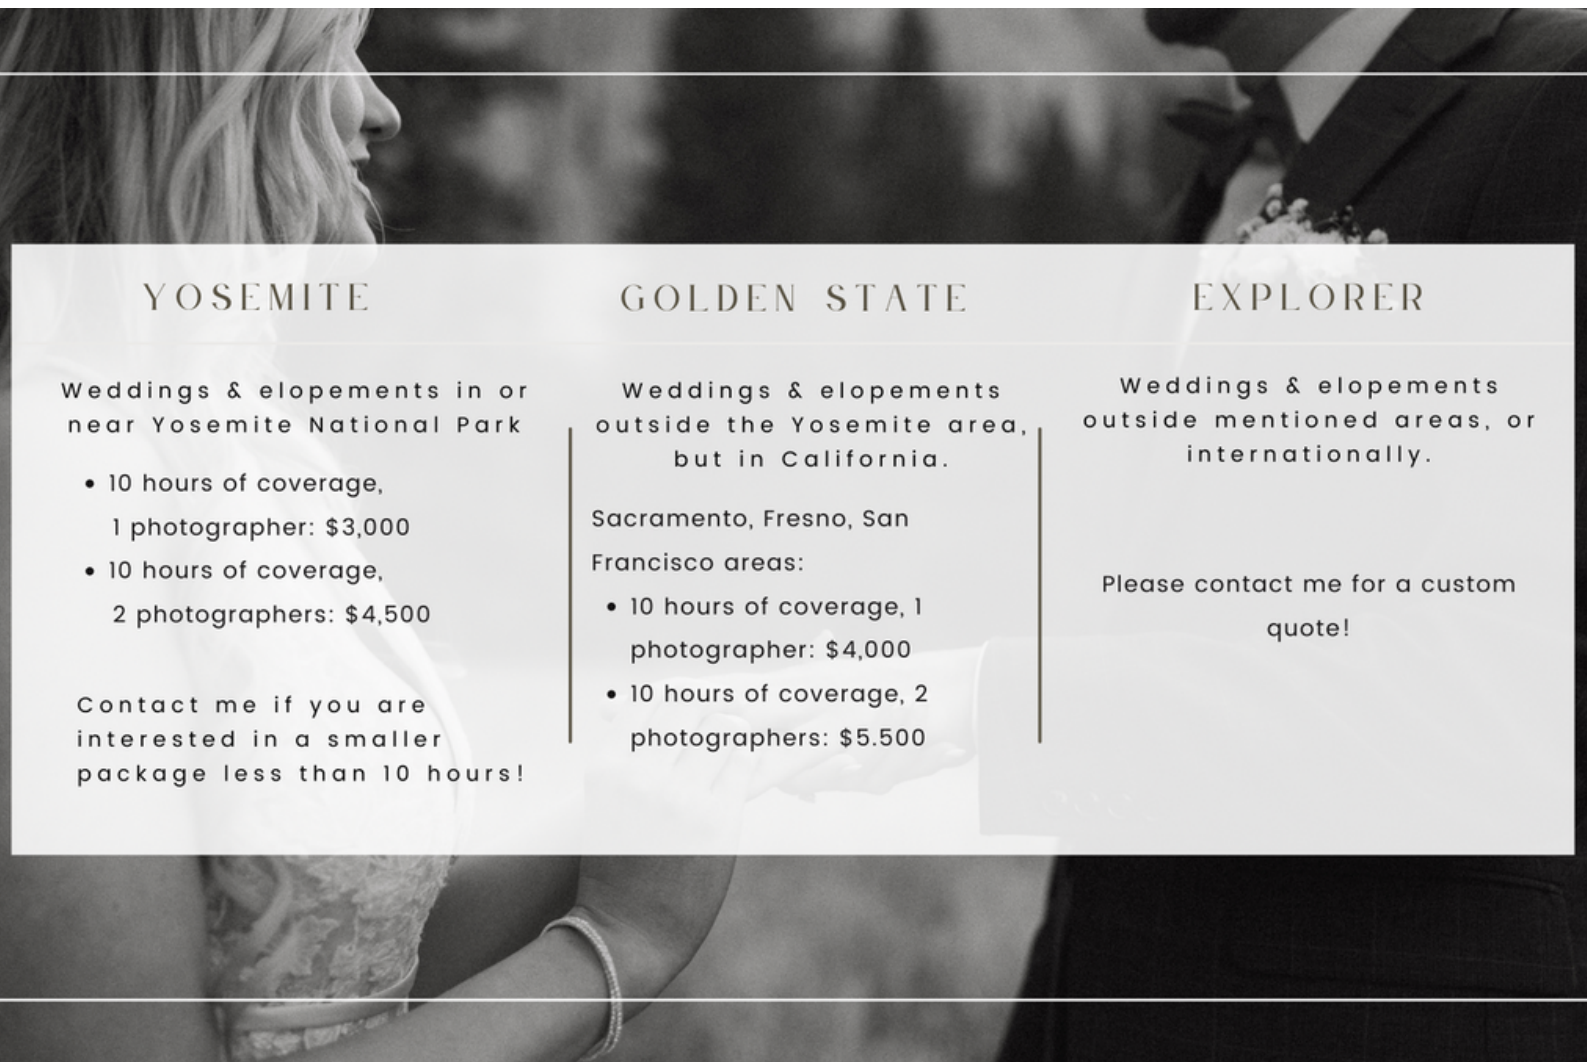

A woman with vibrant pink hair styled in a short cut, wearing a delicate silver tiara. She is dressed in a white, long-sleeved gown adorned with intricate floral and butterfly embroidery. Her expression is contemplative as she gazes off to the side, with her hand resting near her chin. The background is dark, with a white curtain visible on the right side.

"Solid partner in this journey."

I have nothing but good things to say about Carson. She is super nice, easy-going, and takes amazing photos. I loved her chill demeanor and how she blended in to the surroundings. She captured perfect moments, and made me feel so pretty with her photography!

A romantic photograph of a bride and groom embracing outdoors. The groom, in a black tuxedo, stands behind the bride, who is wearing a white lace wedding dress with a long train. They are positioned on a paved path next to a pond with a stone wall in the background. The scene is set during the golden hour, with warm sunlight filtering through the trees. The text 'Frequently asked questions' is overlaid in a white, cursive font in the center of the image.
