My packages* are customizable and my hope is that the cost of my services is not prohibitive to our working together. Let's talk about what you're looking for and how to make it work for you!

*All packages include rehearsal & ketubah signing. Destination weddings may require additional fee.

Ask Laura about rates for co-officiating or for singing needs only.

The Simple Package - Starting at \$860

The Simple Package is designed for the couple planning an intimate ceremony and includes 1 premarital session by Skype and unlimited phone communication leading up to the wedding. Perfect for couples with a short timeline between engagement and wedding, elopement, or last minute officiation needs. Package add-ons include travel and additional counseling sessions.

The Wedding Process Package - Starting at \$1,750

The Wedding Process Package is best for couples with a 6-month to 2-year engagement period. Starting about 6 months before the wedding, we'll meet for 3-4 counseling sessions to get to know each other and create a custom ceremony that reflects your style and story. In addition to in-person sessions, I'll always be available by phone to discuss questions/concerns leading up to the wedding.

The Ceremony Plus Package - Starting at \$2,500

The ceremony plus package is commonly selected by couples planning a destination wedding, local weddings with weekend officiation needs such as rehearsal dinner or brunch involvement, or couples looking to engage in longer-term counseling beyond the wedding itself.
