Wayward North Films

Every couple's story is incredibly unique in its own amazing way, and we strongly believe that your wedding film should be too! By going beyond the traditional style of wedding films, we discover who you are, your heart, your story, and create a film that is bold and intimate. Capturing your heart through authentic storytelling.

We have a passion for creating films that are intimate, adventurous, quirky, fun, we love seeing your personality shine in our films because who is more awesome than you? Our goal is to create an heirloom that will keep you both reminded of the emotions, the realness, the excitement, and all the love you felt on your wedding day. We can't wait to tell the story your grandkids will see one day.

A romantic photograph of a bride and groom in a field at sunset. The groom is on the left, wearing a dark suit and white tie, looking down at the bride. The bride is on the right, wearing a white lace wedding dress and holding a large bouquet of flowers. The background is a soft-focus landscape with a body of water and a wooden fence. A vertical white line is positioned between the couple. The text is overlaid on the image.
