“My daughter's evening wedding reception was held at the Enfield Shaker Museum in Enfield, NH in August. The venue was absolutely beautiful! The Museum staff was very easy to work with and they took care of all the details. The events coordinator was wonderful. Most of our out-of-town guests took advantage of the accommodations. I highly recommend the Museum for your wedding.”

“I was married in the Mary Keane Chapel on the grounds of the Shaker Museum, had my cocktail hour in the Great Stone Dwelling, and had my reception at the Stone Mill. I couldn't have asked for more! I was able to make each aspect of the day personal. Staying with friends and family in the Great Stone Dwelling before and after the big day was a big highlight for me. Finally, the event coordinator at the Museum was extremely kind and helpful the whole way through. Choose the Enfield Shaker Museum for a personalized NH wedding!”

Ceremony and Reception Spaces

The Great Stone Dwelling

The Great Stone Dwelling was built in 1837 and features authentic Shaker architecture and design. The exterior is comprised of intricate stonework and features over 150 windows. Clean, bright, and welcoming, the building's interior has a classic style that features hard wood floors, large windows, and Shaker peg rails.

The Meeting Room

On the second floor of the Great Stone Dwelling, the Meeting Room is the most popular Reception room. It features large windows, rustic chandelier lighting, and lovely pine floors for dancing. It can accommodate up to 125 guests.

The Dining Room

On the first floor of the Great Stone Dwelling, the Dining Room is the perfect setting for more intimate gatherings, including smaller Wedding Reception, Rehearsal Dinners, and Breakfasts with guests the morning after. The Dining Room may also be used as a spot for a Cocktail Hour. It features beautiful, darkly-stained reproduction Enfield Dining Room tables and chairs that can accommodate up to 80 seated guests.

Overnight Rooms

Make your wedding a weekend event! The Museum offers 20 Overnight Rooms with 35 queen-size beds total on the 3rd and 4th floors of the Great Stone Dwelling. Each well-appointed room has original Shaker architecture, reproduction Shaker furniture and a private bath. For couples who choose to have a reception at the Enfield Shaker Museum, an overnight stay in the Bridal Suite is complimentary.

The Stone Mill

The Stone Mill is the perfect venue for a rustic but elegant wedding and features beautiful granite stone walls inside and out as well as exposed wooden beam work. Located across the street from the Great Stone Dwelling/Mary Keane Chapel and adjacent to a large field and picturesque hillside, it has hardwood floors and 21-foot-high ceilings with beautiful exposed wood beams. This building can accommodate a dining and dancing area for up to 100 guests, and makes a lovely Ceremony site.

The Mary Keane Chapel

The Mary Keane Chapel is an exceptionally unique gem nestled into the Shaker Village site, built by La Salette in the late 1930s. The traditional architecture in this building features Italian pink marble and exquisite German stained glass. This is an awe-inspiring Ceremony space and can accommodate up to 150 guests seated in the pews.

Outdoor Spaces

Outdoor weddings are perfect for larger groups of over 125 guests. Museum grounds include beautiful views of Mt. Assurance and Lake Mascoma. You may have a tented Reception or outdoor Ceremony anywhere on site.

Personalized Events

Do you love more than one space at the Shaker Museum? Consider adding to your package by having a separate cocktail hour and reception location or by hosting a catered breakfast the morning after your wedding. Our Events Coordinator will work with you to create a custom package that suits your needs.

Frequently Asked Questions

- **What is required to book my date?**

To book a date, usually a signed contract is required with a 50% deposit of the total rental cost, but each rental is different. We are also able to work out payment plans on an individual basis.

- **Is there a damage fee or security deposit?**

A *refundable* \$300 security deposit to cover any damages or additional clean-up is also required one month before the event date. We request that you write a separate check so we can simply tear it up after the event.

- **Is there a requirement for renting overnight rooms?**

A minimum of 10 overnight rooms or more are required to be booked on the night of the event. Any remaining unfilled rooms will be charged to the couple. The room minimum may be waived under special circumstances with approval from the Events Coordinator.

- **What decorating and clean-up time is included in the rental?**

Most decorating should occur during the Museum's closed hours, after 4pm on Friday and before 10am on Saturday. Decorating and rehearsals typically occur from 4-6pm. If possible and with prior approval, decorating can occur later into the evening on the night before the event, and/or on the day of the event between 8am-10am. Clean-up needs to be completed prior to the Museum opening the following day (10am Mon-Fri, 12pm Sun). The client is responsible for coordinating all clean-up, dishwashing, and trash removal, whether it be themselves or through their caterer. It is highly recommended that all caterers/food preparers have a consultation with the Enfield Shaker Museum before booking their services.

- **How many hours of event time does the contract entitle me to?**

A Ceremony rental is considered to be three (3) hours, and a Reception rental is considered to be six (6) hours. Additional event time can be arranged at the cost of \$300 per hour. All events must end by 11 pm.

- **Is the facility B.Y.O.B?**

All alcoholic beverages must be served by the Enfield Shaker Museum. No outside alcohol may be brought onto the premises. Non-alcoholic beverages may be brought-in by the couple and/or their caterer.

- **Can I cook my own food for my event?**

You may self-cater your event with permission from the Events Coordinator. If you do choose to self-cater, you are required to have a consultation with the Events Coordinator to approve your foodservice plan.

- **Is there a cancellation fee?**

Cancellation fees are assessed based on the cancellation section in the event contract. Generally we keep 50% of all of the fees paid at the time of cancellation if an event is cancelled more than six (6) months before the date. If it is cancelled within six (6) months of the date we keep all prepaid fees.

- **Is the Museum wheelchair accessible?**

The Great Stone Dwelling and the Stone Mill are only accessible by ramp on the first floor. The Chapel and the Meeting Room on the second floor of the Great Stone Dwelling can only be accessed by stairs and are unfortunately not wheelchair accessible.
