

Our Service Rates

Effective as of August 1, 2019

RATES FOR WEDDINGS AND SPECIAL EVENTS

- \$500 per event (approximately two hours) and \$100 for each additional hour
- Reserve your date with a \$100 deposit
- Balance is due one week prior to event
- A travel fee of \$2 per mile will apply for locations more than 25 miles away from our farm

SAFETY

We arrive approximately 1 hour ahead of the scheduled event time to unload the horse and carriage, complete any last-minute grooming and cleaning, and harness and hook the horse to the carriage. Safety is our top priority so when hooking the horse to the carriage, we double check everything.

OPTIONS FOR WEDDINGS

Our Wedding options are:

- Bring the bride and father of the bride to the ceremony
- Pick up the bride and groom after the ceremony for a private ride to allow them to unwind a bit before or after pictures
- Bring the bride and groom for the grand entrance to the reception
- Some couples prefer to be taken away from the reception instead of the options above.
- If the bride and groom want the first three options as well as to be taken away from the reception, there is a \$100 per hour charge for overtime after the first two hours are expended.
