

## **Pricing for weddings**

**Weddings in my office are \$150**

**If any travel is required, the minimum cost is \$200**

**Weddings in Philadelphia are \$250-300**

**Weddings in Montgomery County are \$250-300**

**All weddings in Delaware and Chester County are enormously expensive. The distance is just prohibitive.**

**Anywhere else in the state, would require a second mortgage on your house, and a new pickup truck for me.**
