

WEDDING PHOTOGRAPHY PRICING GUIDE

REAL MOMENTS

One of the things that I love most about weddings is how unique and different each and every one is. Some are full of culture, others celebrate all of the people and relationships that have helped the couple make it to such a special day.

No matter what your day looks like, be sure that our team will be there to capture all of those precious, unplanned moments one frame at a time for you and the generations to come to cherish forever.

The team at NWLifeshots Photography would be delighted to document such a momentous occasion for you and your families. Our goal is to capture precious moments, one frame at a time, for you and the generations to come as if they were our own.

As our business (and the cost of doing business) grows, this page including pricing & collections are subject to change at the discretion of the studio. To ensure premium service and lock in your quote a 20% retainer fee of the estimate charge along with the signing of our contract is required in advance to secure a booking. The remaining final 80% is due before the event. Let us know if you have any questions.

TESTIMONIALS

"Robin was not only professional but really helped us get a lot of wonderful shots for our elopement ceremony! We both aren't the best with pictures/posing and by the end of the session, we were both very comfortable with the entire process. We are LGBTQ+ and Robin made us feel seen! For the price and for the amazing photos that best captured our day, Robin went beyond what we could've hoped for! Thank you from the bottom of our hearts Robin! Everyone loved you!"
