

DAY OF SERVICES

STARTING AT
\$800

You have everything planned but don't want to have to worry about the cake showing up on time.

First planning session starts 2 months prior to the wedding day to establish a detailed wedding timeline.

Coordinate the rehearsal that will be held the day prior to the wedding.

A second meeting at the venue, to visualize and secure the final floor plan, setup and decor plan.

The day of the wedding, coordinate and manage all set up for the ceremony and reception, vendor coordination, final payments, marriage license and clean up.

Contact and confirm all vendor services, arrival times, and email final timeline to vendor team one week prior.
