\$200

Personalized Bride/Groom GOBO spotlight

- A custom gobo will enhance any event.
- Having a wedding monogram in lights can make it a special night.

\$200

Fog Machine – Dancing on cloud 9

- Professional dry ice machine.
- Produces thick, white fog that hugs the floor and dissipates without rising.

\$200

Projector/100 inch screen/4K LED TV

- Slideshow and video playback

\$200

Dance Floor Lights

- Energize any dance floor with fast and precise movements.
- Crisp optics and even output.
- Get twice the moving-light excitement with nine color and gobo options per head.
- Both with a variable-speed continuous scroll.

\$200

Uplighting

- Tri-color LEDs with internal red, green, and blue filaments provide full RGB color mixing with no multicolor shadows.
- An internal lithium-ion battery provides up to 20 hours of operation per charge.
- Shine light where you need it with the adjustable, tilting kickstand.
