CROSBYJOB

FAQ's

WHY CHOOSE CROSBYJOB CREATIVE?

-Our goal is to make a film out of the entire wedding day. We aren't your typical wedding photo/video team. Our team loves to have fun and wants to party with the special bride and groom! Since we're all married, we understand the process and we want to make sure that the bride, groom have the time of their lives even with a camera in their face.

What is your down payment and payment schedule?

- You pay a 25% upfront deposit to lock in your date with our team. The remaining balance can either be paid in full 30 days before the wedding date OR monthly payment plans with the final payment being 30 days before the wedding date.

Do you travel and do you charge travel fees?

- Who doesn't love to travel! If it's 100 miles outside of my current location in Nashville, TN; travel fees could be incurred. (Gas or flight cost)

How long does it take to get my final edited film?

- You can expect to have ALL of your deliverables back by 4 weeks or earlier!
- Social media teasers will be delivered one week after the wedding date.

Why is there a 5% tax fee?

- Unfortunately, that is how our invoicing works. Our software takes out 5% of what we invoice our clients so we have to add it back in our invoicing. If you have a better solution of a software, PLEASE LET US KNOW!
