## A Small Thank You Gift

As a couple, we know how much it means to trust somebody to capture your special day. This world is full of wedding videographers, so thank you for allowing us to be a part of your story. To express our gratitude, Erik has designed these custom couples coasters. When he shared his idea with his family, his mother brought them to life and now handcrafts them for each of our brides and grooms. We hope that every time you use them, it reminds you of the day you said, "I Do." Cheers!
