

### *Package 1 - Full Service*

Our all inclusive full service packages covers the entire wedding planning process. We are with you from the start of budget creation including selecting the perfect vendor team all the way to your grand exit. This offering also covers the details of design and tracking RSVPs.

### *Package 2 - Custom Partial Planning - Design*

This custom partial planning package puts a focus on design. We will collaborate with you to create an inspiration board to be used throughout the planning process. Design includes floral selections, decor rentals, and venue floor plan. We will work closely with your design team to provide a detailed setup and floor plan guide. Stationery advisement and management is also included to complete the look.

### *Package 3 - Custom Partial Planning - Budget & Vendor Guide*

Our custom budget and vendor guide package is designed to ensure you select the perfect vendors for you and your budget. We will create your budget, guide you through the process of hiring vendors, and make sure you stay on track with spending. This package is designed to get you started on a solid foundation for a successful event.

### *Package 4 - Event Management*

Event Management pulls all of the details and your vendor team together four months prior to the wedding date. Our team will create a seamless timeline, coordinate your setup and teardown, and be the point of contact so you and your family can enjoy your day.
