

Hi,

Thank you for the wedding cake pricing inquiry. Our prices are compatible with the DC VA standards. A wedding cake should be priced at the time of a tasting, that way you get to experience the quality, capability and service of the establishment.

We are more than happy to schedule you for a free cake tasting. At that time you will have the pleasure to taste 7 of our most popular flavors and you will see actual examples of our work. We also will design your wedding cake for you at no charge. After the tasting we simply hand you an estimate and that is pretty much it. We do not believe in sales pressure. But if you are skeptical here is a quick quote from one of our wedding cakes from the picture gallery.

We offer the following popular flavors.

1. Dolce de leche (#1 chosen flavor)
2. Amaretto Almond
3. Raspberry Yellow
4. Chocolate raspberry
5. Lemon
6. Lemon Mousse
7. Red velvet
8. Chocolate with vanilla pudding and Chocolate Buttercream
9. Cherry Pucker. Vanilla Cake with a cherry filling

All the above flavors are priced at \$5.50 a serving. We offer specialty cakes at \$6.50 a serving.

All our cakes have standard 4 to 6 layers. We do not charge for Fondant, tiers or dowels and cardboards.

There is a standard decoration fee of \$125. This fee will increase depending on how elaborate your cake will be.

We rent out our Cake stands at \$25. Our standard delivery and set up fee 35 miles within the DMV is \$45. There will be an additional charge if the delivery is

further than 35miles from the Bakery.

A VA state sales tax of 6% is applied to all sales.

There is a minimum of 50 servings for all of our cakes. All our Military service members will receive a 10% Discount on all cakes with military ID.
