— HEY, IM NAIYA!

A photograph of a wedding couple in a field. The groom is on the left, wearing a light grey suit and a white shirt with a pink bow tie. The bride is on the right, wearing a white lace wedding dress and a floral crown. They are looking at each other and smiling. The background is a dry, hilly landscape under a clear sky.

HANNAH + ADAM

RENA + GENE

Naiya was so sweet, patient and kind. Even though things didn't go exactly as planned on our wedding day, Naiya still stayed focused and flowed with it all while capturing the moments for my husband and I. I absolutely love the shots she took on both our engagement and wedding day sessions. Will definitely reach out again in the future. Thank you for everything Naiya!

For Your Wedding Day..

WE'LL TALK OVER TIMELINE BEFOREHAND

I like to be on the same page before your wedding day! For me, that means I'll construct a photo timeline to stay on track throughout your wedding day.

I'LL FIGURE OUT PHOTO LOCATIONS FOR YOU

It's not your job to worry about photo locations - it's mine! If your venue is local, I'll go + find a few options for you to choose from. If I'm traveling from out of town, I'll still use my resources (aka, Google Maps) to find some awesome spots for you.

I'LL ARRIVE 15-20 MINUTES EARLY

This will help me get a feel for the set up of your venue + the lighting at the location. This time allows me to plan my shots + pick specific photo locations.

YOU DON'T HAVE TO WORRY ABOUT POSING

It's also not your job to make sure you look amazing in your photos! Whether you're a trained model or you've never had photos done before, I'll tell you everything you need to do in front of the camera.
