WHO WE ARE

We are a multi-faceted production company that provides high quality video productions, audio reinforcement and multimedia services. A family-owned business, we are registered as a Recognised Motion Picture Producer in Jamaica. All of our video productions are shot in HD quality and our editing style is clean, modern and artistic.

It is through our attention to detail and the love for what we do, coupled with our state of the art equipment, that we are able to produce top class productions that are 'Krystal Clear'.

HOW WE DO WEDDINGS

Seeing your wedding story come to life drives our passion and commitment to excellence. We focus on emotion and the little moments.

We're easy to work with and offer the best VALUE for the price.

We do a cinematic rendition of your wedding day, fitted with ariel shots and interesting angles. All our weddings are edited to display the beauty as well as to tell an unforgettable love story.

Let us turn your day into spectacular memories to last a lifetime!

ADDITIONAL SERVICES AVAILABLE

While we pride ourselves in having the most, all-inclusive wedding videography packages, there are still some extras that you may want to include for an additional fee.

Live Web Streaming of wedding ceremony for family and friends who are not able to be at your wedding.

Your Love Story, share your own unique "how we met" story, proposal, and even challenges, all of which have brought you to this pivotal moment when you say "I do". Shot prior to your wedding day, usually 10 minutes in length. Can be shown at reception and is an excellent keepsake for the couple.

Musical Picture Montage, your love story journey told using pictures. Professionally edited to music of your choice with elegant graphics. Can be shown at reception and is an excellent keepsake for the couple.

Love Story viewing at Reception, show your guests your Love Story or Picture Montage at your wedding reception. We will set up all the necessary equipment; screen, projector, speakers, etc. for the presentation.
