Optional Rehearsal

\$200 *

Most Wedding Venues and Hotels have a Wedding Coordinator/Function Manager to run your rehearsal, which is primarily for your wedding party to become comfortable with how they will enter (Processional), where they will stand or sit, and how they will pair to exit (Recessional). The ceremony itself is not normally performed at the rehearsal. In case you don't have a wedding coordinator, your JP can organize and conduct your rehearsal for you, as an add-on service, at your option.
