Winery Event Package

Welcome to Stone Mountain Vineyards event planning! We hope that the information available within this package helps you further your plans for your special event.

Our property is quite unique, and the views are unsurpassed. We have many spaces to choose from that can be utilized for your event or in the case of a wedding and reception can be used to accommodate your guests with ease of movement from one phase to the next.

Each event is unique and may not fit the exact pricing listed below and should be discussed with the event coordinator at Stone Mountain Vineyards as needed. **For weddings of 30 or less we will customize the pricing for your event based on which of our venue spaces you select to use for your special day. The full wedding agreement will be made available to you during your appointment to discuss how best we may assist you to ensure you have a successful event with us at Stone Mountain Vineyards.

If you are looking to use just our event deck, we do have a individual rental fee of \$2500.00 for the day. We also, have our processing area where the wine is made available for \$1000.00 cost. With either space rental you do get the use of both the bridal ready room and the private tasting space that and can be used for the significant other and/or family. This fee does not include the use of the tasting room nor does it include us closing the winery early.

If you are only wanting to rent our tasting room space the price will vary dependent upon the day of the week, there is an additional cost to close SMV early (see pricing schedule below). Any of our spaces can be priced individually according to your needs.
