# WELCOME + ABOUT ME

Thank you for your interest in my work! I am so excited about the potential of meeting you and your partner and capturing your special day. The pricing guide lays out the packages that I offer, the process of booking and an FAQ page to hopefully answer any questions you may have. In order to book with me, we will need to schedule a phone or zoom meeting to get to know each other and see if we are a good fit. Your wedding day is one of the most important days of your life and I want to make sure we are on the same page about everything.

Little run down about me and my style as a photographer...

I am a lifestyle photographer based in Tucson Arizona. I was born in Texas but I grew up in the Sonoran desert. I love to show off the beauty of the desert through my photography. I describe my photography style as warm, romantic and dreamy. I strive to capture authentic moments throughout the day with a more documentary approach to photography. You will receive a mix of posed portraits, candid, prompted moments, color and B&W images in your final gallery.

Please shoot me another email if you would like to move forward with the booking process. Again, thank you sooo much for your inquiry!

Yes! Your gallery will have a store section where you can order prints or design an album. I can design the album for you for an additional fee.

## CAN I CHANGE OR ADD ITEMS TO MY PACKAGE AFTER BOOKING?

Yes of course, you can add or change the package all the way up to the day before your wedding.

2 Canon R6, 28-70mm lens, 70-200mm lens and 85mm lens. Always upgrading and adding new lenses to my collection!
