**Why book with us? We remove those hidden costs!**

**-Our included tent is the perfect blank slate and offers the perfect combination of an outdoor wedding without the worry of rain soaking your plans. It's covered and has optional sides for added protection from the weather. Tents rent for upwards of \$2,000,... ours is included and pre-lit with twinkle lights. The tent is over concrete, not grass, so you save money on a dance floor as well. Those rent for about \$800 but you don't need one under our tent.**

**-Tables and chairs are onsite. Avoid paying for additional delivery costs. Most companies do not include set-up, and we do for our wedding packages. That saves you \$600 or more. While we offer simple white linens, we also encourage you to rent from our local linen company which will run you approximately \$15 a table (we don't hide extra costs). They have A LOT of colors to choose from.**

**-Power and water at tent for your caterer. Your caterer will have what they need, and you won't have to pay for a generator or water service. We accommodate food trucks very well!**

**-Cornhole game. Want to have fun at your wedding? We got ya! We also don't charge any extra for it.**

**-Access!! This isn't usually a hidden cost, but it's important. We are easy to find, right off Highway 20. Parking is onsite as well for 50 guest weddings. We are expanding our parking to accommodate the 100+ guest counts for later dates.**

**-We do have extras that we do charge you for:**

- Stay onsite in your own RV or rent ours - price starts at \$100 to include power**
- projection lights for the tent - \$50**
- wine barrels and live edge wood table - \$150**
- Rehearsal venue rental, 3 hours - \$500**
- Additional hours for deliveries and clean-up - \$150 each**
- No host bar service inside winery for cocktail hour - \$50 for each staffing hour**
- Wine glass rental - \$2 a glass with a \$5 refundable deposit**

**Outside Vendors: We have a list of ones we've worked with and approve of, ask us for a list.**
