CUSTOM PROPS Price Varies

Have a theme you want to stick to? We can create custom stick props specific to your theme.

1. DO YOU HAVE SOMEONE MANNING YOUR BOOTH?

We have wonderful attendants who will interact with your guests and help them have the most fun in our booths. Our attendants are very welcoming and attentive.

2. CAN WE HAVE OUR EVENT NAME ON OUR PHOTO STRIP?

Definitely! Not only will we customize the text on your photo strip, we will also create a beautifully designed customized layout specifically for your event!

3. ARE THERE ANY HIDDEN COSTS?

Absolutely not! Our standard rental includes everything needed to have a successful and fun event. The add-ons are just that: add-ons, to enhance yours and your guests' experience.

4. WHERE DO YOU OPERATE?

We'll go wherever you want to have us! For the most part we operate in the greater Denver area, but for a modest travel fee (\$0.50/mi. if more than 35 miles outside of Denver) we can go anywhere you are having your special event!

(more) F.A.Q's

5. WHERE CAN YOUR BOOTH BE SET UP?

We love our booths because they are extremely portable and compact enough to go just about anywhere. We ask to have about a 8x8' space where we can setup to make sure the pictures come out beautifully. We are more than happy to discuss any of this as we know there are plenty of different situations.

6. CAN WE HAVE THE BOOTH OUTSIDE?

Definitely, we love being outside! However, with Colorado weather being so unpredictable, our attendants reserve the right to shut down the booth until conditions improve or move to an inside area. We also require the booth to be set up where the backdrop is against a structure, so it does not become a sail when windy.

HOW DO I RESERVE A BOOTH FOR MY EVENT?

Send us an email or give us a call and we'll send you a contract, invoice, and questionnaire. We require a \$200 deposit to reserve your date.
