2023 PRICING GUIDE

THIS IS IT!

Everything in your life has led you to this point. You're thinking about how you want to capture it, how you'd like to remember these passing days. Maybe you want to have something to turn in your hands once the dust settles. To pass on to family, to have on your wall, to tack onto a love letter.

That's where I step in! I am committed to capturing unique stories, adventures, and everyday love affairs. I feel so lucky to be able to do what I do best day in and day out. Just know that I don't do things halfway. Book me, and I'm all in. Down for the ride, up for a dance, and here for the real stuff. :)

ABOUT ME

Hi, I'm Maddi Bailey! I'm a photographer, wife, hiker, amateur baker, (*and lowkey a sweatshirt collector*), and I'm here to tell your story! My passion for photography started when I was first introduced to nature documentaries. I knew I wanted to see things the way the camera did. I love photography for its capacity to freeze moments in time, to document love in all of its wild and wonderful forms.

I spend a couple weeks in California every year because my sister lives there, but also because we both love to hike and take photos in all the beauty Cali offers! Traveling and people are my two favorite things ever :) Looking through the viewfinder time and time again to see so many unique and beautiful human faces looking back at me genuinely never gets old.

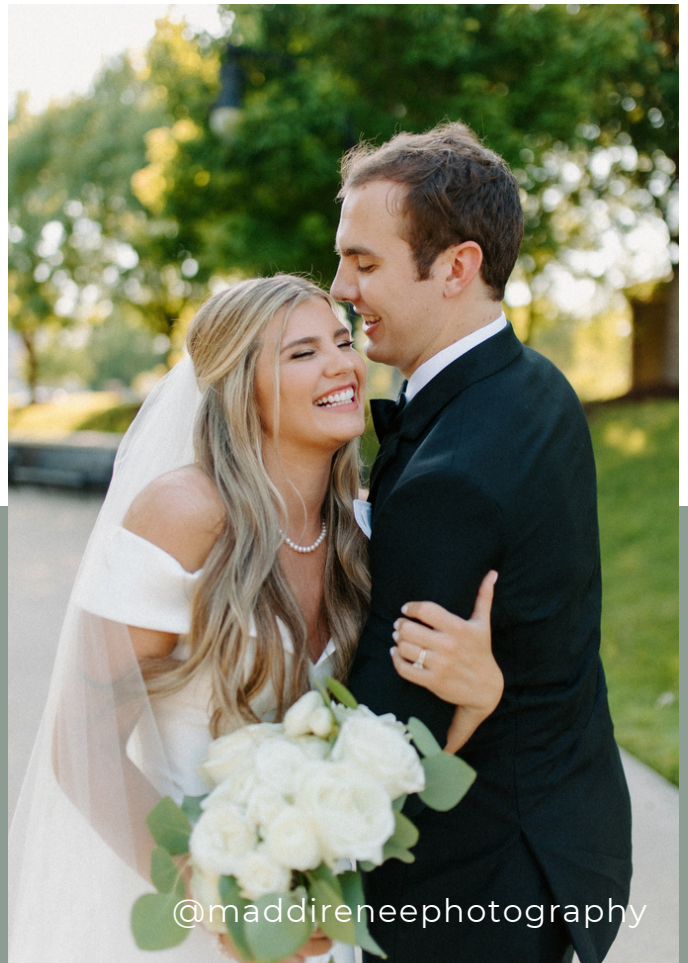

OUTGOING, SWEET, AND SO MUCH FUN!

We booked. a fair shoot with Maddi!
We absolutely loved it! She made it

EXTRAS AND

add ons

+ Extra hour coverage \$100

Sometimes you need a bit more time to express yourself. Whether it's because you just don't trust the kids to give me what I need in one hour or if you simply want a little more time to make soulmate magic, booking in an extra slice of time can make a massive difference.

+ Second shooter \$300

As much as I wish I could be in two places at once, I haven't quite figured out how to do that yet. I do my very best to capture everything that I can, but having a second shooter helps me make sure I catch all the most important moments in the best light.

+ Extra editing tweaks *\$100 per hour* (this is only beyond 10 initial photos)

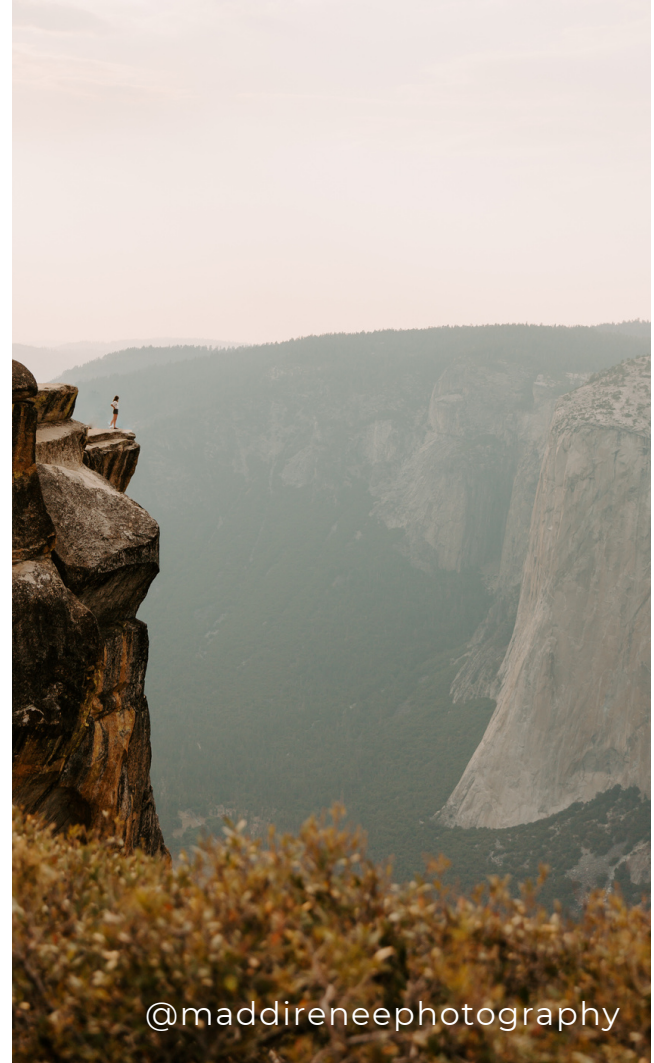

Want some extra photos in B&W, or wish that fly-away hair would disappear? I got you! I'm happy to spend extra time making your favorite images absolutely perfect.

TRAVEL

Whether it's hopping on a plane to come and meet you at the base of your favourite mountain, or jumping in a car to explore somewhere that plays a crucial part of your life story, I love a new adventure. If you'd like to scheme an adventure closer to me, I'll take the trip for free within a 60 mile radius. If we're going a little further, here are my rates:

I'll drive myself up to four hours away for a \$25/hour travel fee.

- Lodging (Cost of AirBnb, Hotel, or Motel)
- Flights (cost of economy flight)
- Rental car (rental car fee and gas)

FAQS

How long have you been a photographer?

I have been a photographer for 8 years! I have been shooting weddings for 3 years (within 3 years, I have over 150 weddings under my belt)

Can we meet you before booking?

You already know I would LOVE to! I would be thrilled to meet up in person or via FaceTime before booking !

What should we wear for photos?

I'm into the more neutral/earthy tones with minimal patterns! But I send over inspo photos and tips in my Pinterest Board if you book me!

FAQS

What if we need to raincheck or cancel?

I am totally down for a rain check! Whatever money you have put down for your shoot will go towards your rescheduled date! If we need to cancel (schedule is too busy, going another direction, or just simply not wanting to do it anymore) I understand! You can use your retainer payment towards a shoot in the future!

Do you give us all of the RAW files?

I do not provide RAW images. I believe that the RAW images are owned solely by the photographer. What you are investing in is the final product curated for you, but edited by me and only me!
