## Commitment / Renewal Ceremonies

A package tailored to those who are looking to renew their vows or make a life commitment. This package is designed to bring to fruition a celebration of love for those who are not necessarily looking for a traditional event and would like to have it reflect their style and individuality without the legal entanglements. If you are tired of the same ole service and are looking for an eclectic original team to carry out your "OUT OF THE BOX" style we can make that happen. ***Starts at 2,500.00***

*Includes two consultations as well as monthly updates  
Vendor referrals and contract negotiations  
Timelines, budgets creation and updates  
Day of Coordination, set up and tear down.*

## Wedding Management for Day of Coordinating

This package comes with a two-hour Vision consultation and monthly check ins to stay on track with vendors and budget items. This will help the couple with a manageable timeline that reflects their values while making this process fun and exciting with less stress. This is for the couple that wants to DIY the details of the wedding plan. We will help with our top-notch Vendors. This also comes with vendor Coordination meeting two months before the "Day" and Site Setup review Plan. We will be on hand the "Day of Coordinating the venue, vendors and Wedding party and of course the guests to make sure the Plan is carried out perfectly. This package does not include the travel time for locations farther than 40 miles from Charlevoix. We bring our team and start early and will be there till all the details are taken care of. These 14 to 16 hour days are magical. ***Starts at 1700.00***
