

DIGITAL PACKAGE WORKSHEET

The base price for all packages is \$1,495. This includes 5 hours of coverage, all of your high-resolution digital images with no studio imprints over the images and online viewing of your images. There is no limit to the amount of images you can receive. Coverage time starts the minute the photographer arrives and runs continuously until it is time for the photographer to leave. This includes any required travel time between venues or other locations, and a dinner break taken while the bridal party is eating. These images may be reproduced by a third-party lab for personal use by the client. The client agrees to use all images for personal use only. Steve Keegan retains all copyrights to all images taken on the day of your photo shoot. No third party or client may use any images created by Steve Keegan commercially without the expressed, written consent of Steve Keegan, and is subject to the written terms of said agreement as laid out by Steve Keegan.
