**WEDDING CONTRACT**

## **Addendum:**

\***GVP** will choose the music to accommodate your Short film. We have specific websites that we license our music from. We cannot use copyrighted music. By hiring us, you are trusting us to use our creative abilities to produce an emotionally appealing and artistic short film. If you feel strongly about being a part of the music selection, please contact D.L. Gleason. Otherwise, requesting a song change after production will result in a \$500 fee. Let it be noted that no one has ever requested such a change. We spend a lot of time going through music to match to your personality, wedding day and overall feel.

\*We will send you a link to the short film when it is completed. We will also send you a DVD proof of the entire production to check for minor errors (misspelling, DVD flaws, etc.) Upon review, we will send you the master DVDs packaged and ready to go.

\*Please provide a timeline of your day to us, preferably no later than 2 weeks prior to the wedding.

\*If you order a "Though the Years" scrapbook, please scan the pictures to a thumb drive or data CD and mail them to the address on the contract. Please put the girl's photos in a folder numbered sequentially in the order you wish, as well as a folder for the guy, and a folder of the couple together. Please also note music you would like; one song for the girl, one for the guy, and one together. If possible, please include the music on the thumb drive or attach a note with the names of the song. Also, let us know if you would like us to pick the music or if you would rather have your baby pictures alternate between the two.

\* It will take **approximately 6-10 weeks** to receive the final product if balance is paid in full and we have received all materials needed to complete your video. GLEASON VIDEO PRODUCTIONS may use footage or pictures of this wedding for future endorsements. By signing this contract, I agree to pay GVP in full and understand that a non-refundable 25% deposit is due to hold the wedding date.
