

Let me answer your question about the services along with pricing that we offer. First of all we love what we do, to be able to create artistic memories that our couple will share for them and pass these memories on to the next generation is priceless.

Looking at the first photo below... We were able to capture the love between these two.

It is very strong image, So here is what we would like to offer you...**#1 TRUST...All thinks being equal people do business with, and refer business to those they can trust. *Just OK is not Ok with us!*** **#2. WE WILL LISTEN TO YOU...** What things, or things, are most important to you for us to capture for your photography.

**#3. WE CAN PROVIDE AN HYBID AND UNIQUE VIDEOGRAPHY ADDITION TO YOUR WEDDING...**No other photography company can provide this type of video.

We combine the best of our photography with capture of special moments of the moving video...It allows you to go back and listen to your vows you made to each other. It is a living, moving memory of your wedding day. The sights and sounds that made your day so special

are captured, a legacy to share with generations to come. Here is a short sample of this type of video <https://vimeo.com/833840773>

Looking at the image below, one can see the strong love between the couple.

As to the question of pricing. Our rates begin at \$500 based on the services you would like. We like to get to know our couples, their likes and dislikes, so that we can create our services that is totally you. If you think that you would like to go to the next step, can me set up a short phone call. My phone number is 410-647-1325
