THE WEDDING EXPERIENCE & PRICING

Welcome! I'm Sierra and I believe this is the beginning of something good!

I believe that wedding photography is done best when couples have a relationship with their photographer and fully trust them. This is how I have guaranteed and delivered incredible photography experiences to my SMP couples.

I'm a photographer, but I'm also a dog mama, competitive axe thrower, and a true crime enthusiast. I love to travel, and capturing people's greatest moments through photography.

Why a Legacy Album?

Your wedding has happened. It was beautiful and everything you dreamed it would be. Instead of just downloading your images to your hard drive and sharing a link with your family and friends, you take it a step further and you invested in a family heirloom keepsake that tells the story of the day you began your life together as husband and wife. Your wedding is literally the beginning of your new family unit! Now, try to fast forward even further and envision yourself sitting in your future living room with your future four year old and he/she is asking questions about when you got married. You look at them and say, "Hold on one minute, ok?" and you grab your legacy album. As you flip through the pages, half of the album in your lap and the other half in theirs.... your child notices aunts, uncles and grandparents celebrating with you on your wedding day. Legacy albums aren't just for you, they are for those that come after you. What a beautiful gift to hand down to future generations!

Frequently asked questions:

WHAT IS OUR SHOOTING STYLE?

I love being both interactive and discrete throughout the wedding day. There will be parts of the wedding day when I will need to be in control in order to accomplish everything that needs to be done in order to keep everyone on schedule. There will also be moments when you shouldn't even know that I'm there. (The ceremony, during dances and toasts, etc.) We teach our couples how to pose and interact during their engagement session so they are naturals on the wedding day and don't need quite as much instruction from us!

ENGAGEMENT TRAVEL?

I am more than willing to travel for engagement sessions! I actually love it when my couples ask me to photograph them in a location that means something special to them! I book engagement sessions at least one month in advance and include 90 miles of travel.

HOW MANY IMAGES CAN I EXPECT?

I average 50 final images per hour that I am actively shooting throughout the day. This estimate is normally on the lower side since my second photographer and I tend to be over-shooters. I love delivering our client's files within 4-6 weeks via an online gallery. You will have the ability to print, share and download your images as much as you want. I believe in freely sharing my work because that is what I would want if I were in your shoes!

WHAT IS YOUR TURN AROUND TIME FOR WEDDINGS?

Engagement or bridal sessions will be completed in 2/3 weeks of your session. You can expect a sneak peek of your big day, including a blog post of the highlights, within four days of your wedding day. The full gallery will be delivered 4/6 weeks post wedding date.

DO YOU OFFER VIDEO?

I do not, BUT I do have a great list of preferred vendors I can share with you to help in your planning process.

CAN WE REQUEST SPECIFIC SHOTS?

Absolutely! I encourage my couples to create a shots list for the day. I even include a section in your questionnaire for you to share what's most important to capture during the day. I even have clients send Pinterest boards to show me what inspires them. I invite all of your requests and keep them in mind for your big day. However, many unexpected hiccups can happen throughout a wedding day, different lighting conditions, in-climate weather, and even height differences can affect our ability to capture certain poses or images. I do my best in capturing all of your requests, but no specific images are guaranteed.

SKYE + ANGIE

" We cannot thank you enough for everything, Sierra! Y'all were so kind and amazing and we are OBSESSED with the first look photos! Thank you so much for the stunning photos!"

FEATHERSTONE RANCH

Thank You!

I'm so glad you contacted me! Enjoy this new season of engagement! Plan and prepare but always remember that when it's all said and done, all the food, the florals and the details will fade away. Once your last song is played and you exit your reception, you'll begin your new chapter as husband and wife and you'll have your photos to remember the day it all began. Congratulations on your engagement and I look forward to hearing from you!

Xoxo, Sierra
