### Beer Service:

For beer service during your event, you may choose from the following options:

1. **Cash Bar** - guests purchase their beer individually, cash & credit cards accepted.
2. **Open Bar** – Place a credit card on file to offer an open bar for your guests. A count of all beer ordered by your guests will be kept by the bartenders. You will need to close your bar tab at the end of your party or at the close of open taproom hours. Pints of beer cost \$4 for year around and seasonal brews. Specialty brews maybe a higher cost.
3. **Pre-pay:** Pre-pay for an X number of pints prior to the event at \$4 per pint. Bartenders will maintain a count, flights are counted as 2 pints. Specialty brews may not be included.
4. **Keg:** Pre-purchase a “keg” equivalent to 124 pints/beer tickets for \$450, (normally \$500). Bartenders will maintain a count; flights are counted as 2 pints. Specialty brews may not be included. Your guests may choose from our selection of beer on tap.
