## General Pricing Information

### **Special Order Bridal Gowns**

\*We believe that you should be able to buy your dream wedding dress at the best possible price! We do not mark up our gowns in order to offer misleading discounts. All of our gowns are already marked at the lowest price allowed by the designer. So, when you shop with us, you can rest assured that you are getting a high quality gown at a fantastic price!

The majority of the wedding dresses we carry are special order styles. These styles range in price from \$600-\$4000, and average around \$1300. Generally, the more detail you are looking for (lace, beading, etc.), the higher the price point will be.

### **Informal and Sale Bridal Gowns**

We always carry a selection of informal and sale styles that are available to purchase right off the rack! Informal gowns are generally available to special order as well, and range in price from \$175-\$300. Sale gowns are usually sample gowns that we are no longer able to order, and are discounted up to 75% off the original price! These dresses range in price from around \$300-\$800.
