+ THE STILL PACKAGE +

Photos are everything when it comes to your wedding day. Picking the right photographer is just as important. Our "Still" Package guarantees delivery of 750+ edited pictures. Warren and his team are onsite throughout the entire day, start to finish! Click the link below to get started.

STARTING AT \$4000

+ THE WILD PACKAGE +

We proudly work alongside our sister company "Heritage Visuals" to bring you the best film team on the market. Your day starts and ends with two videographers capturing every nuance of your experience. Each film is individually shot and edited to deliver the most personalized video possible.

STARTING AT \$4000

+ THE STILL WILD PACKAGE +

This is our premier offering. Think of this as a super team; both photography and film teams accompany you through every beautiful moment of the big day.

This option saves you planning time, but more importantly, is packaged for couples wanting a team that is experienced shooting as one unit.

STARTING AT \$7500
