# MEET THE TEAM

---

Hi! I'm Sammy, Owner and Lead Planner of Jackson & June Events. I love weddings, country music, and classic Disney movies. I start each morning with a cup of coffee and end each night snuggling on the couch with my hubby Alex, our two kitties, and a bite of Ben & Jerry's Half Baked ice cream.

My #1 goal is to eliminate brides saying things like, "I hated wedding planning, the stress was too much" or "my wedding day was too stressful to even enjoy." Girl, your wedding experience is supposed to be filled with nothing but love and joy from start to finish!

# KIND WORDS

---

"Sammy and Jackson & June is the absolute best! So sweet and kind and creative and organized and hardworking, and really really good at wedding planning and coordinating – she is passionate about what she does and it shows! I debated whether or not to hire a coordinator for a long while (I was convinced I didn't need one because I am one of those people who like to do everything myself) but finally decided it would be good to have one and it was hands down one of the best wedding decisions we made hiring Sammy! She was so helpful in getting us organized (her spreadsheets are golden), asking questions, communicating with vendors, and putting together the best day ever for us! She always made me feel relaxed in our meetings and made wedding planning fun! She is the perfect balance of getting stuff done but never being pushy or rude. And on the day of our wedding I knew that she and her husband had everything under control so I could truly enjoy the day! She is the best and I cannot recommend her enough!!"

# S & A

---

Alex and I basically do everything together, including business! Alex comes with me to almost every wedding to help with heavy lifting, communicating with the vendors, social media, oh, and to remind me to stay hydrated!

Alex also heads up the content creation portion of the business. If you see him with a camera on wedding day, he's creating a kick-butt behind-the-scenes clip for you!

# KELYN LIBERTY

## ASSOCIATE COORDINATOR

---

Hi! I'm Kelyn and I'm so excited to be the newest Associate Coordinator on the Jackson & June team!

I'm a big fan of long talks on the porch with my people, building the perfect charcuterie board and Saturdays spent cheering on my Dawgs.

My favorite moments on a wedding day may seem like small ones, but they always get my happy tears flowing - a first look, the last conversation a dad has with his daughter before walking her down the aisle or seeing the joy in a couple's eyes as they steal a few minutes to themselves after the ceremony.

I'm so looking forward to serving you and your nearest and dearest on your wedding day and making sure these small moments are memories you can't help but replay forever.

## KIND WORDS

---

"Where do I even begin?? Sammy was an absolute game changer for our wedding. From start to finish she helped with every detail of our wedding and kept me sane through the process. I literally felt so stress free on the wedding day because I knew that Sammy had it under control.

She has amazing organizational skills, brilliant ideas for wedding planning, and she could envision my plans for the wedding almost better than I could. I am so thankful for her and Alex and all that they did to make our wedding perfect. Our day would not have been the same without them!!"

# LILLIE CHUPP

## ASSISTANT COORDINATOR

---

Hi there! I'm Lillie. I am so grateful for this opportunity and excited to share this time with you.

You can always find me with a cup of coffee in my hand, while expressing my love for my dog Linus or places I've traveled.

What I look forward to most in weddings are the details. It's the simple things like a bouquet or a family heirloom that can fill your heart and wedding with joy. I look forward to helping you create long lasting memories on your special day!
