

Ceremonies and Pricing

Sweet and Simple - Starting at \$400 (Perfect for Elopements)

Your desire is to have a ceremony that's filled with an honest simplicity that allows you to be fully present in the moment. You can choose from a variety of pre-written ceremonies that give you the perfect words that convey your love. Want to edit the wording – no problem! Every time I perform one of these ceremonies it comes from my heart to yours.

More Choices Please - Starting at \$600

This style of ceremony is perfect if you want to co-create your ceremony with me from the starting words to the ending. Additional components can be added such as hand fasting or a sand ceremony. You'll receive many samples from me and a questionnaire that will provide guidance. Your ceremony will reflect the unique love that you share in a story that is created just about the two of you. I'm available as questions arise and we explore possibilities together.

We Want the Whole Package - Starting at \$1,100

This package makes it easy to elope! It includes your Sweet and Easy Ceremony and a professional Wedding Photographer who will capture the memories of when you say, "I do" and take more portraits afterwards. Their services are available for up to one hour. Within three weeks you'll receive approx. 125 photos in a downloadable format.

Your Vows - you choose vows from the samples that I provide. Or you can write your own and will make Vows Booklets for you to read from that are included in your ceremony.

Flowers can be added to liven your senses and add beauty to your special day.
