## CATERING PRICING

Our pricing is dynamic based on several factors, including the menu you decide to serve, your estimated headcount, and the level of service you would like us to provide. Because of this, we choose not to lock any pricing in until after we have completed a call (or meeting) to discuss your event and your vision for it. However, below are a few guidelines based on our most popular levels of service for consideration when deciding if we are the right caterer for you!

### *Service Area:*

Our service area includes Kingsport, Johnson City, Bristol, Gate City, Hiltons, Abingdon, Limestone, Elizabethton, Erwin, Bluff City, and the surrounding areas between and on the outskirts of these cities. If you are not sure if your event would qualify, please reach out!

Unfortunately, we are unable to serve the greater Knoxville, Sevierville, or Chattanooga areas at this time.
