WEDDING PHOTOGRAPHY PRICING GUIDE

OUR PASSION IS PROVIDING YOU WITH VIVID, PERSONAL IMAGES THAT YOU'LL LOOK BACK ON LOVINGLY IN 10, 20, 50 YEARS. OUR PASSION IS PHOTOGRAPHING MARRIAGE.

MARRIAGE REQUIRES ENTHUSIASM, INTIMACY, BRAVERY, AND PASSION.

We believe photography requires these things as well. Our aim is to tell your love story through enthusiastic, artistic, genuine moments.

MARRIAGE IS ABOUT FORMING A TEAM AND BRINGING OUT THE BEST IN ONE ANOTHER.

That's what John and I do every day, and that's what we bring to the table as your wedding photographers. (It doesn't hurt to have two pairs of eyes, either.)

MARRIAGE IS A COMBINATION OF FAMILIES AND TRADITIONS.

Our photographic style is a marriage of Elyssa's photojournalism background, John's analytical computer science background, and our mutual love of beautifully lit, artistically composed images.

MARRIAGE IS WORK (THE BEST JOB EVER, BUT STILL).

We continually strive to make our photography the best it can be, and that means putting in the work before AND after the wedding day. I will work with you (and/or your coordinator) through the planning process and beyond. I am an open book and will do everything I possibly can to make your day amazing!
