2019 Pricing & Services

## 2019 Package Pricing

### Photography

Our full-day wedding photography packages start at \$2450. At a minimum, ALL packages include the following:

- Minimum of 8 hours of photography
- Minimum of 500 fully edited, hi-resolution images (with no logos or watermarks!)
- Full personal copyright, which means there are no restrictions for personal use of your photos
- Online gallery access for 10 years (you, your friends & your family can view/order/share images directly from your gallery)
- Additional customizable options that include engagement or bridal sessions, additional hours, videography, albums, prints, and other products.

### Videography

We offer videography packages on their own and also combo videography & photography packages as well (with really incredible savings in the combo packages!). At a minimum, ALL packages with videography include the following:

- Minimum of 8 hours of videography coverage
- A 5-minute (approximate) highlight video, set to music, to share with family & friends
- Full ceremony footage
- Reception toasts & speeches
