

We charge a flat hourly rate of \$200 based on your estimated hours of service.

A \$200 non-refundable fee is required to hold your date. That credit will be applied to your final invoice.

We require 50% of the estimated total invoice four weeks before your event. This allows us the opportunity to serve another couple, should you decide to go with another vendor.

After your event, we will send you an updated invoice. We guarantee delivery of all photos within 24-hours of your event, as long as the remainder of your invoice is paid.
