Any two or three classrooms can be combined into one larger room for a reduced price!

Auditorium

Whether you need theater seating for up to 298 attendees or a ballroom style setup for a formal event, the auditorium is the perfect space. With a retractable 15' projection screen, powerful surround sound, and theater style curtains, the stage is the ideal setup for a corporate presentation, movie screening, stage show and more.

Museum

With tons of natural light and plenty of floor space, our stunning museum is the best place to hold your wedding, cocktail reception, mixer, and more.

City Room

The beautiful, state-of-the-art conference table sets the tone for your meeting. Display your presentation on the 80" smart TV and utilize the custom cabinets for your displays.

EVO Commons

A full warming and prep kitchen is just one great feature of our beautiful dining area. There's also a convenient serving island, high top tables, outdoor patio, and plenty of open floor space.

Land Room

A versatile conference room, the Land Room can accommodate up to 16 people and offers a 60" smart TV for presentations. Perfect for smaller gatherings or a quick meeting.

Classrooms

Our classrooms can seat 33 comfortably and offer dual 60" smart TVs for presentations. Need more space? Combine two or three classrooms into one large area for a reduced cost!

Training Rooms

It's time to get to work. Each of our training rooms utilizes dual 60" smart TVs, exhaust venting, loading dock access, and plenty of space for any of your training needs.

Event Field

Looking to head outside? With up to 3 acres of available field space, you can set up product demonstrations, farmer's markets, fairs, and plenty more.

Media Room

Get creative with three chroma-keyed green walls, customizable lighting, soundproofing, and more. And, make sure your next video is shot in style with the help of our expert media staff.
