Let's Hold Hands

Congratulations! You're engaged! Now what? If you have absolutely no idea where to start, or you really don't have the time to research venues, vendors, and all the other overwhelming stuff that comes with wedding planning, Wicked River can be right there with you every step of the way, from the beginning. As many planning meetings as you want. Day before, day of, and day after support, no matter how long it takes. Everybody needs a little hand-holding sometimes, and we're down for that.

You've Got This

You've got a good handle on where you want to go, who you want to work with, and how your day's going to look. Maybe you just want somebody there for the weekend to help keep things on track. Maybe you need someone on standby to pull your MOH out of bed before your hair appointments because you know she's going to "celebrate" (i.e. party hard) after the rehearsal dinner and you don't want to be the bad guy. That's fine! We'll help make sure everything is on point, from the setup & rehearsal through the couple's last dance. Includes day before, day-of support, and day after support, plus two in-person planning meetings one month and one week before your big day so you can fill us in on exactly what you need from us.

Basically Useless

You're super Type-A. You've got every single detail planned down to the minute. You just don't want to have to be married to your phone on your wedding day. We'll be there for you as much or as little as you want. Hand over your vendor contact info. and schedule, then let us be the point person for everybody else, so you can relax and focus on you. Pre-planning meetings available at the bride & groom's discretion, at the hourly rate.

Holiday & holiday weekend bookings are subject to rate increases: \$168 per hour, 1.5x package price.
