

## *A Note to Brides:*

*Music is usually the last thing a bride thinks about in preparation for her big day, but it is very important;*

*Music is what starts the ceremony.*

*Whether you want prelude music for your guests or that special song while your mother lights a candle in remembrance of Grandpa....*

*Music starts the procession of your bridesmaids and of course your grand entrance as you walk down the aisle.*

*Let me make it easy for you with a consultation via email or phone.*
