DAX

DAX GALLERY

DAX Gallery has a mission to make a lasting and forward-moving footprint in Costa Mesa, California; as we join forces in the ever growing local art scene. We believe that with the community patrons, enthusiasts, and headliner Urban Contemporary artists, DAX Gallery contributes to the prominence of the OC art scene. Monumentally as the urban fine art hub, DAX Gallery represents an exclusive flavor of art, collecting and socializing in the Orange County area.

Exhibiting work from a wide range of artists, including (yet not limited to) Richard Oliver, Risk, Meggs, Mear One, Shark Toof, Axis, Chad Muska, Cryptik, and many more. DAX Gallery is the prime hub of The Urban Fine Art movement in Orange County, thus adding a new, exciting element to the thriving local art scene.

The space is 4,500 square feet, enclosed by ceilings hovering 20 feet overhead, oversized windows and doors. A minimalist, white setting with subtle, inspiring quotes posted throughout. Stationed on Randolph Avenue, behind The Camp and down the street from South Coast Plaza in Costa Mesa, the location is prime for conjoining an upper class economic community, the youth cultures of Orange County and art collectors from around the world.
