"The Winds either provided or assisted with every detail of my daughter's wedding with an amazingly perfect outcome. Her day was everything thing she hoped for -- and more!

Although planning was made long distance, our event planner was available, talented and skilled, supportive, genuinely caring, and very kind. We all felt quite assured before the big day and extremely satisfied afterward." From Ann in NY

"I would like to say thank you for making our wedding day perfect! Stephanie & Beth are fabulous! Everyone enjoyed their stay & I'm sure you'll get many return visits. Thanks again, Angela & Joshua." From Wilmington, NC

"Stephanie & Beth, there are not enough words for us to tell you how thankful we are to have had you as our 'Dream Team' for our wedding day. Your expertise, focus on details, assistance in helping us keep our sanity, and truly taking care of us and all the special people in our lives during our stay- well, it was more than we could have ever dreamed. You are both amazing at what you do and we (and all our guests) noticed that it's 100% because of your love and passion for creating THE single-most important day in each couple's life to be exactly what they have always envisioned. Thank you for everything! Love, Amanda & Chris" From Sterling, VA

"My daughter's wedding was on the beach at The Winds on September 18th, followed by a reception on the Island Oasis Deck. On our first visit in August, we met with the, wedding planner. Being 5 hours away, Stephanie's expertise, availability, and positive attitude resulted in a fun weekend and beautiful day for my daughter and son-in-law. All 80+ guests were greeted by friendly staff that was more than willing to accommodate our many requests. My son-in-law summed up our feelings at the reception; this has been the most wonderful day." Thanks to all the staff!

The Southern style breakfast was very tasty and a great value. Thanks to the staff at The Winds Resort for making our daughter's wedding a very special time! We will be back."

From Carolyn, Morganton, NC

"My husband and I got married at The Winds and the only way to describe our overall experience is phenomenal! The wedding coordinator there was amazing. We planned our wedding with her help from New York and it was perfect. She was supportive in every way and truly cared about our day and us. The Winds offers the most beautiful ceremonies right on the beach and the reception we chose was an elegant white tent on their back deck. Every detail was perfect: the food, the decor, the staff and the overnight accommodations. If you are looking for a picture-perfect wedding at an affordable cost this is the place!"

From Sara and Abram, Rochester, NY

The minister, (Larry Melton) was amazing as well! He gave us some great pointers when we mentioned that we really wanted to include my 3 children in the ceremony. We did a sand ceremony as well, which I would HIGHLY recommend if you are thinking of having a beach wedding.... especially if there will be little members of the wedding party involved! My 4 and 6-year-old said that this was their favorite part of the ceremony. And now we have a beautiful sand keepsake that we will cherish forever!

I upgraded the flowers that come with the package at The Winds. Calabash florist did an amazing job with my flowers! Donna (from the florist) even created pins with the fresh hot pink Gerber daisies for our hair! She was so nice to go as far as dropping them off to me and my girls at the hair salon.

Everyone at The Winds was super friendly and did a fabulous job of making our special day care free for us! We stayed in the Jasmine Suite which I would highly recommend for any couple that will be having a beach ceremony at The Winds because it overlooked the beach and our "altar"! I could sneak a peek at my guests and even my groom without being seen!

If you are planning a beach wedding on Ocean Isle or Sunset, you can feel confident that The Winds will make your wedding what you have always dreamed of!"

From Maggie and Tim, Pittsburgh, PA

"I've been around the world and seen a quite a few places, so believe me when I tell you this is an absolutely first-class hotel complex. My family had a fabulous reunion this year thanks to the very attentive and hardworking staff at the Winds. The MVP and heroine was of course the Events Coordinator...she was a joy to work with, no request was too trivial or too tough for her and her team. Once we were on site Vinny and the rest of his maintenance colleagues ensured our cottages were in tip top condition and took care of our special requests to support the reunion. As chairman of the family reunion committee this year, our success was in large measure due to the professionals at the Winds Beach Resort. I would recommend this location for any family oriented beach outing. Many heartfelt thanks to Team Winds for such superb support for our family reunion this year. The Winds staff and location made it truly memorable. Stephanie, Gary, Vinny, and the rest of the team were truly outstanding professionals!"

From the Loftin Family,

"Hi Beth! We had an AWESOME time (with our Family Reunion)!! We will be back next year and I hope we can stay a little longer!! Thanks for everything!!" From Joy, Apex, NC

Group Reservations

A group of reservations booked by either one person or multiple parties for the same date are considered Group Reservations. Group reservations may include but are not limited to weddings, corporate meetings, family reunions, etc. If the minimum booking requirements are met, then all reservations in the group may qualify for group rates.

GROUP CANCELLATION POLICY

***Accommodations-** Group reservations must be guaranteed with a one night's deposit per unit. Deposits are applied to the last night of the reservations, and are refundable if cancelled thirty (30) days prior to arrival date. If cancelled less than thirty (30) days prior to arrival, deposit is forfeited. If reservations are cancelled fourteen (14) days or less prior to arrival date, guests are required to pay for the entire stay. Changing a confirmed reservation is in effect a cancellation. A \$25.00 processing fee applies to each refund. During high occupancy periods, a minimum stay may be required. Personal checks are not accepted for balance due.*

OUR RECOMMENDATIONS

Our 4, 5, and 6-bedroom cottages work great for large groups because they offer privacy in each separate bedroom, while giving you the kitchen and great room area for gathering. However, you may have parties in your group who would like their own room or suite. We recommend you forwarding our contact information to these parties, and letting them book their own reservations with us. This way they will get an accurate room description, they can pay their own deposit to us for their unit, and we can review our cancellation policy with them directly. This releases the group coordinator from being responsible for their unit in the event of a cancellation. Have your parties mention the group name to qualify for group rates.

Function Booking Policies

After deciding on The Winds as the location for your destination wedding, these are the procedures to follow to confirm your function.

A deposit is required to confirm a function. This is based on your rental equipment, services and catering, not including accommodations.

If paying this deposit with personal check, it is due 45 days prior to the date of the event. If paying by credit card, it is due 30 days prior to the event. However, your function date is not blocked until deposit is received. Upon receipt of your deposit your date and time are blocked and your prices are guaranteed

and will not change.

Please have your requests for services in at least 30 days prior to the date of the event. Within 30 days our capability of adding services will be limited.

After receipt of your deposit, a contract is sent out that requires your signature and needs to be returned. This document needs to be on file with the resort prior to the event.

If paying your balance by personal check, any remaining balance is due 30 days prior to the event. If paying by credit card, the balance is due 15 days prior to the event.

Accommodations require a one night's deposit per unit.

If paying for your function, catering, or accommodations by personal check, a credit card is required to be on file with the resort.
