OUR MISSION

SIMPLISTIC. SUSTAINABLE. ORGANIC

Our mission is to provide a retreat location where people can reconnect with themselves, each other, and as a community within an environment that values the simple things, making long-lasting memories starting with the sunrise and ending well past a magnificent a Appalachian sunset.

Puesta Del Sol (pwesta dehl sol) - n. Spanish; sunset, received its name for the beautiful sunsets this location provides.

ARBOR BY THE POND

Forged from reclaimed barn wood, our elegant arbor sets aside two ponds and frames a majestic view of rolling fields, our stone farmhouse and the mountains. A charming site for exchanging vows!

THE BARN

Built out of old barn wood and stones, rustic yet modern indoor space with beautiful raised ceilings. Perfect for receptions, cocktail hours, and family gatherings.

THE COURTYARD

An expansive patio off the wine cellar, surrounded by hand-laid stone and lush greenery. This inviting space is perfect for sit-down dinners and late-night dancing.

SUNSET OVERLOOK

A romantic spot to appreciate the beauty of our unforgettable Appalachian sunset. Features cast iron trellis and stone pathway. Ideal for anniversaries and intimate weddings.

PRIVATE WINE CELLAR

Carved into the property's landscape, our underground stone wine cellar is a nod to the farm's earlier life as a vineyard. Housing our exclusive wine collection, it is an intimate location for rehearsal dinners and small cocktail parties.
