RECENT WORK

MY PHILOSOPHY

Capturing real moments

I am here to create art inspired by you and your love. Blending editorial and photojournalistic styles, my goal is to document real moments on your wedding day. Real smiles, real emotion, REAL LOVE! With a mix of film and digital photography you will receive a gallery that tells the full story of your wedding day. My hope is for you to look back through these images throughout the rest of your lives and feel like it just happened yesterday.

KIND WORDS

**"I CAN'T RECOMMEND
THEM ENOUGH! YOU
WON'T REGRET IT!"**

“

Dominic is an INCREDIBLY talented photographer! Him and his wife not only are artistically talented but working with them was so fun and relaxing! My fiancé HATES taking photos and they were able to capture amazing candid natural shots while allowing the more formal shots be fun and enjoyable. They were so great at corralling our large families but they were so respectful and made it STRESS FREE!

Not to mention the final product photos were CHEFS KISS! I can't recommend them enough!

You won't regret it!

NICE TO MEET YOU

HEY, I'M DOM

A FILM & DIGITAL PHOTOGRAPHER BASED OUT OF SOUTHERN CALIFORNIA.

I love coffee, cameras, climbing, and cats. If that alliteration was too much, I also really love traveling with my wife, creating art with people, staying up late, sleeping in, and listening to music on long drives to new adventures. I am an artist and a hopeless romantic. For me, taking photos has always been a way to not only express myself but to connect with the people around me.

Documenting life and love has become second nature to me over the last 5 years as a wedding photographer. I have become obsessed with capturing these perfect little moments and preserving fleeting memories. I want your grandchildren to see your wedding album and feel like they were actually there. Like I said, hopeless romantic.

Cheers,

Dominic Trujillo

FAQ.

DO WE NEED AN ENGAGEMENT SESSION?

This is up to you, but I totally recommend one for a few reasons! First, my style of photography works best when we've gotten to know each other. an engagement sesh is the perfect time for us to hang out & spend time together before your day! It's also a great way to get comfortable in front of the camera, and practice makes perfect. It's totally natural to feel a little bit nervous/awkward when you're not used to having your photo taken, but your engagement session will make you two pros by the time the wedding rolls around!

WHEN WILL I RECEIVE MY PHOTOS?

You'll receive a sneak peek of a few photos within 24 hours of your day (I know you're anxious to 'gram!). for engagements, photos are delivered within 2-3 weeks. weddings are delivered within 6-8 weeks.

HOW MANY IMAGES ARE INCLUDED?

You can expect to receive 50-75 final hand-edited images per hour of coverage! after your wedding day, I'll remove any photos you wouldn't want or need (people blinking, blurry, etc) and edit & deliver the rest! don't worry, I won't withhold any images I think you'll want.

DO YOU GIVE US THE RAW PHOTOS?

Nope! I don't send any un-edited/raw files! most of the magic happens during the editing process, so without that step your photos are only halfway done!

WHY INCLUDE A 2ND PHOTOGRAPHER?

while I'm confident in my ability to shoot all of my weddings solo, I recommend second photographers for larger weddings, or when couples are getting ready separately and the timeline doesn't allow me to be with them both. they can provide another perspective to your day and an alternate angle of every situation! we can chat more about this option on a consultation call.
