Weddings

Hey There!

Thank you so much for contacting me in interest of me being your photographer for
THE BIG DAY!

I know that you can't see me right now, but imagine I'm sitting across from you at your favorite coffee shop with a big grin on my face (and a delicious beverage in hand). And imagine we're about to get to know each other really well.

You may have guessed it, but I'll tell you anyway. Photographing couples is my absolute favorite thing in the world. I love capturing that "zing" between in-love couples -- the adoration for each other that's written on their faces. In addition to photographing the ardor between a happy couple, I also love photographing all the carefully planned details of a wedding, as well as those unforgettable moments that simply must be captured on film for posterity.

Just recently married myself, I know how many details come into play when planning a wedding. Whether it's the cascading lace on a bride's gown, the happy tear in a father's eye as he's walking his little girl down the aisle, the breathtaking cake that must've taken hours to perfect, or the groomsmen boogy-ing on the dance floor, I love being there to document it all!

Thank you again for contacting me and I can't wait to get to know you!

XOXO,

Heather Chipps Townsend
