Onsite coordination from the beginning of the event until the end of the event*

*\*This service assumes that the couple have completed their own detailed planning process and have hired Multiplicity Wedding & Events to assist with the final day of timeline, coordination with vendors selected by parties, and execution of wedding plans agreed upon by all parties beginning one (1) month from selected wedding date.*

## Partial Planning Services

*Our partial service is designed for the couples that have already begun the planning process but need assistance with putting all their fabulous ideas together. We offer professional guidance in planning, budgets, design and coordination while also allowing you a hands-on role in the planning process.*

## Full Planning Services

*Our full-service option is designed for the couple who would like assistance throughout the planning process. We offer guidance in planning, budgets, and coordination from start to finish. Every detail is handled by us, but always run by you first.*
