# ABOUT THE FAMILY

First and foremost, we are very proud parents to Carter, Myles and Sarah, with two angels waiting in Heaven for us.

We homeschool the boys on our 30 acre farm in Grand Ridge, Florida. Originally, Charlene is from Tallahassee, Florida, and Travis is from Ashford, Alabama.

When not photographing we are building our own wedding venue, Raylene Reserve, playing with our farm animals, attending sporting events, playing with LEGO or napping.

We know that photography is more than clicking a button; rather it's a human connection to a moment in time. Let us help you capture that moment.

All our love,  
Charlene + Travis
