OUR PROMISE

We will be there each step of the way

Mariota Manor

Mariota Manor is a wedding venue located in Toluca Lake, California. The estate is situated on a cul-de-sac combining an elegant indoor and outdoor feel. Bride and groom are welcomed to begin their day in the comfort of the mansion's get ready suites, preparing for their event in luxury. Upon entering the home you will be greeted by two water features, palms, and lemon trees. This chic venue consists of various indoor and outdoor options for soon-to-weds to choose from. Couples can host their ceremony in our oasis backyard that features numerous water fountains, a custom wood burning fire pit, olive trees, palm trees, and decomposed granite pulled directly from the Hollywood Hills. Couples can say "I do" at the back of the estate while surrounded by weeping trees. After exchanging vows, your reception can take place in the venue's spacious backyard oasis. The venue is perfect for ceremonies, engagement parties, bridal showers, receptions, elopements, rehearsal dinners, and honeymoons. The venue is ready for all of your entertainment needs as it is equipped with Wi-Fi, a Sonos Sound System, full kitchen, and we are able to add on tables, chairs, linens, and even catering to offer an all inclusive package for ease for our couples special day. From intimate gatherings to larger affairs, there is something for everyone at The Mariota Manor.
