Kathy Begley and Missy Mattingly, our chefs, schedule all our appointments. Our tastings and consultation are free. They generally schedule these on a Sunday afternoon. There is no charge for this service. Usually, our first meeting will last about two hours. This will give us time to show you our linen selection, our floral shop, and sit down and give you an itemized bid on the food and service we provide. When you leave, you will have a detailed list of everything you need to think about and plan for on your wedding day.

Our goal is to help you plan your wedding day and make it more beautiful than you ever imagined at a price you feel comfortable with. To schedule an appointment, contact our chef, Kathy Begley, at (270) 789-8442, or email at [kathy.begley@taylor.kyschools.us](mailto:kathy.begley@taylor.kyschools.us)

# ***GREAT NEWS:***

Swan's Landing is going to soon be a

# ***VENUE!***

## ***Opening October 2019***

For nearly twenty-five years, Swan's Landing has been Central Kentucky's all-inclusive wedding and event planner and catering service, offering the finest in gourmet cuisine, linens, place settings, and wedding and reception décor.

Swan's Landing's beautiful yard with varied arches and garden backdrops make it a photographer's dream location to capture those special moments. There will be six unique areas outside for the bride to host her wedding. We have a large pond with a lighted fountain, which can be adjusted to the color theme our bride desires. Our new

facility can house 350 people inside, and our coved patio overlooking the pond can hold up to 200 people. We have numerous fountains, outdoor and indoor fireplaces, an outdoor fire pit, an area in the facility for the bridal party to get ready, and many other amenities to make your day one to remember for a lifetime.

There are three standard packages available; however, we can customize a package to meet any and all of our client's needs. We can provide everything from the rehearsal dinner to the sendoff. We also host corporate picnics, musical concerts, class and family reunions, birthdays, showers, political rallies, and proms for local schools.

We hope this venue will draw many new comers and acquaint them with our beautiful city. The following three packages give some idea of our service available here at Swan's Landing:

**REGULAR PACKAGE: (\$8.00 PP; maximum six hours)**

Rent our venue by the hour for a shower, family reunion, class reunion, etc. The cost is \$8.00 per person. Tables and chairs will be provided. Maximum use of the property is six (6) hours total. Minimum of 50 people.

**DELUXE PACKAGE: (\$4,700.00-day of wedding only)**

1. A bride has the facility on the Friday prior to the Saturday wedding for 5 hours to set up and host her rehearsal.
2. We can provide a rehearsal dinner should the groom want us to do so. Most meals average \$27.95 per person (children ages 5 and under eat free).
3. On Saturday, the bride and bridal party have full use of our property from 9:00 AM – 11:30 PM. Our spacious lodging provides a comfortable place for the bridal party to get dressed and meet with the photographer or relax prior to the wedding.
4. The bride and bridesmaids have plenty of space to get ready, eat a light lunch, and prepare. The groom and groomsmen have another spacious area to do the same.
5. Swan's Landing can provide a light lunch and drinks for the entire bridal party while they are having their pictures made. This consists of sub sandwiches, chips, cookies, and assorted drinks at \$8.00 per person.
6. There are several options for the bride to choose from to host her wedding. We have several arches and trellises on our beautifully groomed lawn, or she might

decide to marry inside our facility.

12. We have six whiskey barrels and two wooden tops for specialty drink stations, etc.
13. We will provide a manager to assist with any problems or needs that might occur during your event.
14. On this pond there are swans that will make the setting even more tranquil and serene. We also have on the property albino white and india blue peacocks as well as a few pea hens.
15. The bride and groom may use our facility for their engagement pictures.
16. We extend a 5% military discount to our brides and grooms whom serve/served in the armed services.
17. We have three wedding assistants who could conduct the rehearsal, schedule the various events, and be present to help the bride on her wedding day. These wedding assistants are excellent and make a wedding day less stressful and organized. Three who have worked with me for years include Alexis Jennings, Bernadette O'Daniel, and Todd Farmer, all extraordinary wedding assistants. These individuals charge \$500.00.
19. Swan's Landing has Perri "Grover" Warren as our in-house photographer to make pictures throughout this special day. She coordinates with the photographer the bride has hired and does not duplicate staged photos the bride's photographer takes; instead she makes candid shots the other photographer might miss. After the wedding, these pictures go on a USB flash drive as a gift from Swan's Landing to the bride.
20. We partner with several great DJ's and bands that provide great music and keep everything on an agreed timeline.
21. We also partner with several awesome cake designers whom we can recommend.
22. We have our own commercial florist on site and can provide all bridal and reception arrangements. Ralph Graham comes with over 40 years' experience and is one of the best in the business.

23. We are pet friendly and have available two large pens with air-conditioned doghouses if needed.
24. In our pond is a lighted LED fountain, which can be adjusted to accommodate the bride's color décor.
25. We have our own commercial kitchen. Kathy Begley and Missy Mattingly are our chefs and have provided delicious food commercially for over 25 years. Kathy books our free tastings and consultations. You can call or text her at (270) 789-8442 or at [kathy.begley@taylor.kyschools.us](mailto:kathy.begley@taylor.kyschools.us).
